CONTOUR MARINE

SERVICE INVOICE

Website Maintenance & Photo Services

Professional website update including client photo processing, gallery implementation, and mobile layout optimization.

PREPARED FOR	DATE	INVOICE #	DUE
Contour Marine	July 2, 2026	CM-2026-001	Upon Receipt

> This invoice covers all work completed for the **Contour Marine website** including processing and publishing 6 project photos across the Docks and Decks service pages, mobile layout corrections, and image optimization for professional presentation.

SCOPE OF WORK

Services Performed

TASK	DETAILS	AMOUNT
		PHOTO PROCESSING
Photo Analysis & Sorting Analyzed 6 client-submitted project photos, identified content (dock vs. deck), and determined correct page placement.	6 photos	$45
AI Upscaling to 2K Resolution	6 photos	$55

TASK	DETAILS	AMOUNT
Each photo upscaled to high-resolution 2K quality using professional AI upscaling. Sharpened detail on decking, railings, stonework, and water.		
People & Shadow Removal Removed a person visible in dock photo, reduced distracting shadows across multiple images, cleaned up backgrounds for professional presentation.	6 photos	$50
Landscape Crop & Optimization All 6 portrait-orientation images cropped to proper 4:3 landscape format to fit gallery cards without distortion. Optimized file sizes for fast web loading.	6 photos	$35
		WEB IMPLEMENTATION
Gallery Implementation — Docks Page Added 2 dock photos to docks.html in a new "More Docks We've Built" row, matching existing card style, border-radius, hover effects, and layout.	docks.html	$45
Gallery Implementation — Decks Page Built new "South Florida Deck Projects" gallery section on decks.html with 4 travertine/composite deck photos in 2 organized rows.	decks.html	$55
Caption Overlays & Descriptive Copy Wrote and implemented title + description overlays on all 6 photo cards. Added section intro paragraphs explaining project types to site visitors.	6 cards	$35
		QUALITY ASSURANCE & MOBILE FIXES

TASK	DETAILS	AMOUNT
Mobile Layout Testing & QA Identified and fixed card sizing issues on mobile — cards were displaying full-width instead of proportional. Added proper gap/spacing between stacked cards. Multiple rounds of testing across desktop, tablet, and mobile breakpoints.	styles.css	$65

Photo Processing (4 tasks)	$185
Web Implementation (3 tasks)	$125
QA & Mobile Testing (1 task)	$65
TOTAL DUE	**$385**

SAVE WITH A MONTHLY PLAN

Ongoing Maintenance Retainer

Avoid per-project billing. A monthly retainer covers regular updates like this — photo additions, text changes, mobile fixes, and more — for a flat monthly fee.

$200 / month

Basic Maintenance

- ✓ Up to 2 photo updates/ mo
- ✓ Minor text & content edits
- ✓ Bug & layout fixes
- ✓ Monthly site check

RECOMMENDED

$350 / month

Full Maintenance

- ✓ Unlimited photo updates
- ✓ Photo editing & upscaling included
- ✓ New sections & page updates
- ✓ Mobile QA every update

- ✔ Priority turnaround (24–48 hrs)

INVOICE TERMS

Payment & Terms
